**ORDER**

The Magistrate Judge has reviewed the answer, special report, and supporting evidentiary materials filed by Defendant (Doc. 31) and determined that Plaintiff shall file a response addressing the arguments and defenses contained in this report. Accordingly, it is

ORDERED that **on or before April 16, 2019**, Plaintiff shall file a response to the answer and written report. If Plaintiff fails to file a response as required by this order, the court will treat the failure to respond as an abandonment of the claims set forth in the complaint and as a failure to prosecute this action. Plaintiff is specifically cautioned that if he fails to file a response in compliance with the directives of this order the undersigned will recommend that this case be dismissed for such failure. If Plaintiff fails to respond to the answer and written report with respect to each of the claims raised in his complaint, the court will treat this failure as an abandonment of these claims and shall proceed as justice requires.

As indicated herein, at some time in the future the court will treat Defendant's report and Plaintiff's response as a dispositive motion and response.<sup>1</sup> Thus, in filing a response to Defendant's report Plaintiff should not rely only on his or her unsworn pleadings but should respond by filing

<sup>1</sup> Thus, in preparing a response to the special report filed by Defendant, Plaintiff should refer to the requirements of Rule 56, *Federal Rules of Civil Procedure*.

sworn affidavits,<sup>2</sup> or other evidentiary materials developed through discovery or other appropriate means and which set forth specific facts demonstrating there is a genuine issue of material fact for trial in this case. Failure to file sworn affidavits or other evidentiary materials may result in this court accepting Defendant's evidence as the truth.<sup>3</sup> If documents are referred to in the opposing affidavits and have not been previously filed with the court, sworn or certified copies of those papers must be attached to the affidavits or served with them.

The parties are hereby notified that upon the expiration of the time for Plaintiff to file a response as allowed by this order, unless within ten (10) days from the date of this order a party files a pleading which presents sufficient legal cause why such action should not be undertaken, the court may at any time thereafter and without further notice to the parties (1) treat the special report and any supporting evidentiary materials as a motion for summary judgment and (2) after considering any response as allowed by this order, rule on the motion for summary judgment in accordance with the law.

Failure to follow the requirements of this order about the proper manner in which to respond to Defendant's report will result in a recommendation of the Magistrate Judge that final judgment be entered in favor of Defendant without there being an evidentiary hearing.

DONE on this 26<sup>th</sup> day of March, 2019.
